

Chrono

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

22 December 1982

NOTE FOR: Larry Gershwin
NIO/SP

I heartily endorse the increased coverage recommendation made in the memo to JAEIC. If you wish, you are most welcome to indicate explicitly my strong concurrence in this recommendation, from the vantage point of my non-proliferation concerns.

25X1

Hans

Hans Heymann, Jr.
